

SOCAA Constitutional Amendment Review Document

In line with SOCAA General Committee deliberations and consultations in year 2019 and the continued evolution of the Society several amendments to the SOCAA constitution have been proposed to align the same with our strategic objectives. These proposed amendments are **highlighted** in the draft amended constitution circulated with this review document.

Summary of proposed amendments

Section	Amendment summary	Rationale
3. Membership	Change of membership classes and fees	Increase classes of membership and widen inclusivity in SOCAA.
4. Office bearers	General Committee changes to Board and separation of Board and Secretariat leadership	Adoption of modern governance and management systems for top level organizations.
5. Secretariat	Secretariat composition and functions	Secretariat function clarified separately from the board for purposes of accountability and transparency
6. General Meetings	Inclusion of virtual and hybrid meeting formats	Alignment to new realities and tools for working to improve efficiency.

Members are requested to review the proposed amendments and provide any feedback using this form provided. Feedback is considered received by virtue of receipt notification for email. In the event that a member has any other additional/suggested amendments they can also be included in the feedback form as set out in the form below.
